

Arrival Instructions

The castle opens daily at 10.00am. You'll need your tickets - with the barcode(s) to gain entry.

✚ Coach Parking:

This is complimentary for school groups. On arrival at the Stratford Road Car Park, your coach will be directed to a drop off location and then asked to use one of our designated coach bays.

Further information, including directions and parking charges for additional vehicles, is available online at www.warwick-castle.com.

✚ Entrance:

Although we can scan your tickets (barcodes) from a mobile device, we recommend bringing printed copies with you to ensure a smooth and quick entry.

You'll enter the castle grounds at our main entrance, where a member of our team will scan your tickets and conduct non-contact temperature checks for your group, as a condition of entry.

You can access further information about our enhanced health and safety measures and a downloadable copy of our map before your visit at www.warwick-castle.com.
