

Summer Proms to feature Les Miserables celebration

Warwick Castle have announced that this year's Summer Proms Spectacular will feature special guest stars from the West End production of Les Miserables in a celebration of the musical's success. A selection of songs from the world's favourite musical will be performed, alongside a wonderful programme of popular classics and film themes, featuring the world famous Royal Philharmonic Orchestra at the concert on Saturday, July 13.

Show stoppers from Les Miserables will include 'I Dreamed A Dream' and 'Bring Him Home'. Producer of the Summer Sounds Concerts, Andrew Wyke said: 'Les Miserable is still breaking box office records globally and we're delighted to be bringing a little bit of the West End to Warwick Castle as a special feature of this year's ever popular Summer Proms.'

This year's Summer Proms will also feature exuberant conductor Jae Alexander again at the helm. Star tenor Nicky Spence returns to perform popular Neapolitan Songs and opera classics including – of course – Nessun Dorma. Star soprano Janet Mooney also returns to Warwick to perform popular arias and Proms favourites for the flag-waving finale. It promises to be a superb evening of pure entertainment for the whole family

Tim Harrison-Jones, general manager at Warwick Castle, said: "The Summer Proms is always the highlight of our event calendar and we're looking forward to announcing some further special guests, to the line up, very soon. It's the combination of wonderful music, amazing performers, the dramatic Spitfire flyover and stunning fireworks finale that make this a spectacular evening of entertainment.'

Enjoy a balmy summer's evening of classical music in the stunning grounds of Warwick Castle; chill the champagne, bring your picnic and enjoy the unique spectacle of the magic of the Proms...
