Making the most of your visit

1. Have you planned how to get here?

The Castle is well signposted, less than two miles from junction 15 on the M40 by car and a 10 minute walk from Warwick train station.

Our address is: Warwick Castle, Warwick, Warwickshire, CV34 4QU

2. Due to the popularity of the daily shows and to ensure a great view, make sure to get to each show at least 10 minutes prior to each start time.
3. Ask a member of staff about upgrading to a Merlin Annual Pass or Warwick Annual Pass so you come back and explore again!
