

Sensory & Mobility Guidance 2026

Haunted Hollows (Maze)

Lost in limbo and forever doomed to wander the spookiest part of the grounds you'll meet the ghostly inhabitants of Warwick Castle for laughs and scares down in the Haunted Hollows. Twisted trees and even more twisted characters make this the perfect family walk through to make spooky Halloween memories.

Mobility Guidance

- This fun, themed attraction is accessible to wheelchairs and those with limited mobility.
- The exit, however, is via a steep set of steps. A return route to the entrance is in place for those guests who might not manage these steps.

Sensory Guidance.

- Themed lighting and sound effects are in place. Sound is set at a comfortable level. There are no strobe or rapid flashing effects. Smoke effects are used throughout the experience but are kept to a minimal level.
- Costumed characters will be in place throughout the attraction, who may approach you, there will be no jump scares. Should you or a member of your party not wish to be approached. Simply put a hand in the air and the character will step away.

Welcome to the Spirit Hotel (Maze)

It's time to check into the Spirit Hotel and enjoy a short stay amongst the holiday makers of the past who checked in but can never leave.

Take your key and find your room, but don't expect to have it all to yourself. You'll meet hotel staff such as the bell boy, head chef and night porter as well as guests from times gone by.

Mobility Guidance

- This takes place upstairs in the State rooms and is therefore not fully accessible to wheelchair users and may cause problems to guests with limited mobility. Please see step count below.

- First Attraction Area 6 Steps & Cobbled Surface
- Second Attraction Area 8 Steps
- Final Attraction Area 2 Steps
- Exit 15 Steps (Spiral Staircase)

Dead Centre Stage

- Join four excited Goblins enjoying a seasonal school trip to Warwick Castle. The more mischievous they are, the better grades they get at Goblin High so join the foolish foursome on the main courtyard stage throughout the day for fun and laughs with songs, dancing, stories, discos, quizzes and pranks.

Mobility Guidance

- Situated on the castle courtyard lawn, the stage is accessible to wheelchair users and those with limited mobility. There are benches and tables in place for those who wish to use them.

Sensory Guidance.

- Sound volume is set at a comfortable level. There are no strobe effects or rapid flashing lights, at all performances. There are slower more gentle lighting effects, the effect of which is mitigated by daylight. Please note that a streamer cannon is fired at the end of the last show of the day.

Woodland Theatre Shows

The Witches of Warwick

- The Witches of Warwick are back again with a brand-new set of silly songs, daft dancing and stupendous sketches that will have you under their spell and howling with laughter.

The Grave Diggers

- Join the grave diggers of Warwick Castle with a very morbid sense of humor. You'll laugh and sing as they invite you to help write and perform a festively silly song live on stage.
- Catch both the Witches of Warwick and the Grave Diggers as they roam the grounds and interact with guests throughout the day in between their shows

Mobility Guidance

- These shows are accessible to wheelchair users and those with limited mobility.
- Benches are in place, for those who wish to use them, and beanbags are supplied at the front of the stage for children to enjoy the shows in soft comfort.

Sensory guidance

- Music and sound effects are set at a comfortable volume. There are some gentle flashing lights, but these are mitigated by daylight.

Spooky Schools - The Good Ship of Warwick

Join Lord Hamilton and his crew as they set sail to track down and imprison as many scurvy ridden pirates as possible. You will learn all you need to know to become the most feared pirate hunter on the seven seas!

Mobility Guidance

- This takes place on the Oak Tree Lawn and is accessible to wheelchair users and those with limited mobility. Please note that the Oak Tree Lawn is on a slight slope.
