

# The Courtyard shop

- There is step free access to this shop
- The doors of the shop are double width and open automatically. Please note that there is a 2 cm lip at the threshold to this entrance
- There is no lowered section of counter, however staff will be happy to come to you to assist.
- There is a portable hearing loop system in this shop, should you need any help with this system, please speak to a member of staff who will be happy to assist you.
- For BSL speakers, please scan the Sign Live bar code located on the counter, this will quickly connect you with a live BSL translator who will help you to speak to our staff and answer any questions or queries you may have
